

## Safety and Regulatory Catalog

Safety and Regulatory Courseware is designed to meet state and federal requirements for OSHA and EPA compliance in the workplace. Topics include HIPPA; Industrial Skills; and Safety and Regulatory developments. More than 90 hours of Safety and Regulatory Courseware are available.

-Blueprint Reading (NETg) 16 hrs .....	2
-Electrical/Electronics (NETg) 8.5 hrs .....	2
-General Skills (NETg) 8.5 hrs .....	2
-HIPAA Privacy Training (NETg) 12 hrs .....	2
-HIPAA Security Awareness (NETg) 7 hrs .....	2
-Industrial and Safety Series (NETg) 8 hrs .....	2
-Safety Series (NETg) 8 hrs .....	2
-Florida Defensive Driving 36.5 hrs .....	3

## Safety and Regulatory Catalog

### **-Blueprint Reading (NETg) 16 hrs**

- Blueprint Reading: Electrical Print Reading
- Blueprint Reading: General Print Reading
- Blueprint Reading: Geometric Dimensioning and Tolerancing
- Blueprint Reading: Mechanical Print Reading
- Blueprint Reading: Process and Instrumentation Drawings

### **-Electrical/Electronics (NETg) 8.5 hrs**

- Electrical/Electronics: AC Circuits
- Electrical/Electronics: Applied Digital Electronics
- Electrical/Electronics: Basic Electricity
- Electrical/Electronics: DC Circuits
- Electrical/Electronics: Fundamentals of Digital Electronics
- Electrical/Electronics: Introduction to Electricity
- Electrical/Electronics: Introduction to Electronics
- Electrical/Electronics: Motors and Transformers
- Electrical/Electronics: Solid State Theory

### **-General Skills (NETg) 8.5 hrs**

- General Skills: General Troubleshooting
- General Skills: ISO 9000
- General Skills: Measuring and Gauging
- General Skills: Total Quality Management

### **-HIPAA Privacy Training (NETg) 12 hrs**

- Privacy and Business Associates
- Privacy and Health Care Employees
- Privacy and Insurers

### **-HIPAA Security Awareness (NETg) 7 hrs**

- HIPAA Security Awareness Part 1 - Introduction for End Users
- HIPAA Security Awareness Part 2 - Security Safeguards for Practitioners
